

HO
ME
— BY CHELSOM —

AN INTRODUCTION

A passion for lighting *Since 1947*

In our 75th year we are excited to be launching HOME by Chelsom, a brand purely focused on the high-end residential interiors marketplace. Following decades at the top of the global hospitality lighting market, we are now bringing our award-winning global family business to your homes.

reddot winner 2021

Elevating spaces with
contemporary craftsmanship
and *design*, Chelsom's
collections bring beauty and
luxury to the residential
marketplace.

Original British
lighting design
is at the *heart* of
everything we do.

We have always been
passionate about design and
our versatile lighting collections
will certainly fulfil the needs
and desires of the finest
residential interior designers.

At Chelsom we are committed to delivering *world-class quality*.

We are forever focused on the *finer details* when it comes to product design.

Innovative, durable and always beautifully crafted, our statement lighting collections are designed to meet the high standards of the world's finest residential projects.

A versatile lighting collection to *illuminate* and *inspire*.

From ceiling and floor to wall and table lamps, our lighting can redefine any interior space to create a desired atmosphere.

Whether an intimate ambience or sense of drama is required, we can work with you to curate the right lighting for any space or project.

Our lighting collection offers versatility and dynamism from one-off statement pieces right through to minimal task lighting. Our full collection is available to view at www.chelsom.co.uk

*Customer service
is at the core of
our operations.*

Our extensive product offering and enormous project management experience can be replicated and utilised across the residential market as we look to supply purely through trade channels to interior designers, property developers and building contractors.

Customised lighting solutions for all residential spaces.

Our expert design teams work with decades of experience behind them to help bring interior designers' bespoke lighting concepts to life. We work with a broad range of materials and manufacturing skills to ensure we can meet all customer demands.

Behind the outstanding product design are decades of *manufacturing expertise* and *craftsmanship*.

“Even after 75 years, we continually strive to redefine our lighting collections by reacting to the ever-changing interiors landscape.”

Will Chelsom, MANAGING DIRECTOR

Our bespoke design capabilities allow for a *fully tailored look* to perfectly suit any high-end interior space.

Curated for the
most timeless interiors,
the Chelsom design
ethos is driven by
passion, innovation
and *expertise.*
