Chelsom Edition 28

Following its 75th anniversary in 2022, Chelsom will launch Edition 28, a brand-new collection, at Clerkenwell Design Week. The new collections, designed entirely in-house by Robert and Will Chelsom, are made up of an array of different decorative lighting styles, designed specifically with global hospitality, marine and residential projects in mind. As well as a complete makeover of its existing lighting collection, Chelsom has launched a new website, sub-brands and an accompanying catalogue.
